

SunPower Limited Product and Power Warranty for Residential PV Modules

This Limited Warranty is effective for SunPower photovoltaic modules with "SPR" in the product model number and sold after April 1, 2013 (the "PV Modules"). SunPower photovoltaic modules which include "COM" in the model number are for commercial installations and have a different warranty.

1. LIMITED WARRANTY

SunPower Corporation Australia Pty Limited (ACN 009 066 380), an Australian proprietary company limited by shares, with its principal place of business at Level 4, 973 Nepean Highway, Bentleigh, Victoria, 3204; telephone number 1.800.SUN.POWER (1.800.786.769) and email address customer@sunpowercorp.com ("SunPower") warrants that for 25 years beginning on the Warranty Start Date¹ (the "Warranty Period"), its PV Modules shall be free from defects in materials and workmanship under normal application, installation, use and service conditions, and the power output of the PV Modules will be at least 95% of the Minimum Peak Power² rating for the first 5 years, and declining by no more than 0.4% per year for the following 20 years, so the power output at the end of the final year of the 25 year warranty period will be at least 87% of the Minimum Peak Power rating (the "Limited Warranty").

If any PV Module fails to conform to this Limited Warranty, subject to these terms and conditions (the "Limited Warranty Terms"), SunPower will repair, replace (new or refurbished) or refund the defective PV Modules as follows: SunPower will make all reasonable efforts to repair or replace the PV Module with an electrically and mechanically compatible PV Module with an equal or greater power rating but if this is not commercially feasible (as determined by SunPower in its sole discretion), then SunPower will refund the purchase price of the defective PV Module as paid by the customer (the "Remedy"). The repair, replacement or refund Remedy provided herein shall be the sole and exclusive remedy of the customer under the Limited Warranty and provision of the Remedy is all that SunPower is required to do in order to honour the Limited Warranty. The Limited Warranty for any repaired or replaced PV Module shall not extend beyond the Warranty Period that commenced on the Warranty Start Date for the first PV Module the subject of the original warranty claim.

In the case of a valid claim for repair or replacement of a PV Module under the Limited Warranty Terms, provided the repaired or replacement PV Module is installed by SunPower, an affiliate of SunPower or an authorised SunPower installer, the Limited Warranty covers:

- (i) reasonable and customary transportation costs for return of the PV Modules;
- (ii) reshipment of any repaired or replaced PV Modules; and
- (iii) costs associated with installation, removal or reinstallation of the PV Modules.

2. GENERAL CONDITIONS FOR WARRANTY CLAIMS

- a) The default in the PV Module must arise in, and the warranty claim must in all events be notified to SunPower in accordance with the procedure set out in Section 5, within the Warranty Period;
- b) Warranty claims may only be made by, or on the behalf of (i) the original end customer, as named in the certificate of guarantee or invoice, as applicable (the "End Customer"), and (ii) any subsequent title holder of the PV Modules upon satisfactory proof to SunPower of succession or transfer from the original End Customer.
- c) Notwithstanding any other provision of these Limited Warranty Terms, when PV Modules are used on a mobile platform of any type, such as a vehicle, the Warranty Period shall be limited to 12 years.

¹ "Warranty Start Date" is the earlier of (i) date of array interconnection and (ii) 6 months following the date of SunPower delivery. If the delivery date cannot be verified, manufacturing date will be used in its place.

² "Minimum Peak Power" is defined as Peak Power minus peak power tolerance or the minimum rated power, as shown on the label. Peak Power is defined as the watt peak at Standard Test Conditions, as described in IEC61215, measured per IEC60904, and accounting for tolerances per EN50380. SunPower modules shall, in any event, require a sweep rate of no less than 200ms to ensure an accurate power measurement. SunPower can provide a detailed testing procedure or a list of recognized testing agencies upon request.

d) In cases of PV Module replacement, any replaced PV Module shall pass into the ownership of SunPower.

3. EXCLUSIONS AND LIMITATIONS

The Limited Warranty does not apply to any of the following:

- a) PV Modules subjected to: misuse, abuse, neglect or accident; alteration, improper installation, application or removal (including but not limited to installation, application or removal by any party other than SunPower, a SunPower authorised dealer or technician approved by SunPower in writing); non-observance of the applicable SunPower installation, users and/or maintenance instructions or non-compliance with national and local electric codes; repair or modifications by someone other than an approved service technician of SunPower; conditions exceeding the voltage, wind, or snow load specifications; power failure surges, lightning, flood, or fire; damage from persons, insects, animals, or industrial chemical exposure; glass breakage from impact or other events outside SunPower's control.
- b) Cosmetic affects stemming from normal wear and tear of PV Module materials or other cosmetic variations which do not cause power output lower than what is guaranteed by the Limited Warranty. Normal wear and tear of PV Module materials can include, but is not limited to, fading of frame color, weathering of glass coatings, and areas of discoloration around or over individual solar cells or any part of the PV Module.
- c) PV Modules installed in locations, which in SunPower's absolute judgment may be subject to direct contact with bodies of salt water.
- d) PV Modules for which the labels containing product type or serial number have been altered, removed or made illegible.
- e) PV Modules which have been moved from their original installation location without the express written approval of SunPower.
- f) SunPower modules which include "COM" in the model number.

SunPower shall not be held responsible or liable to the customer or any third-party arising out of any non-performance or delay in performance of any terms and conditions of sale, including this Limited Warranty, due to acts of God, war, riots, strikes, fire, flood or any other cause or circumstance beyond the reasonable control of SunPower.
